

FOR IMMEDIATE RELEASE

Love is honest.

Love is kind.

You don't know Jack.

Two couples. One bag. And Earnest?

Experience the comedy that has been delighting and amusing audiences for over a century. Oscar Wilde applies his characteristically subtle satire to the British aristocracy and its foibles in this “comedy of manners” which remains as funny today as when it was written. Mistaken identities run roughshod across the plot as characters befuddle one another, and we learn the true importance of a name and the secrets of a bag that shapes the destinies of the characters.
